Flutter Developer Internship

About Outshade

Outshade is a renowned web and mobile app development company, serving clients across Asia, Europe, the Middle East, and North America. With a commitment to innovation and excellence, we specialize in crafting high-quality digital solutions that empower businesses to thrive in today's competitive market. Our team of skilled professionals is dedicated to delivering cutting-edge mobile applications that exceed client expectations and drive success.

Position Overview

Outshade is seeking a motivated and talented Flutter Developer Intern to join our dynamic team. This internship offers a unique opportunity for individuals passionate about mobile app development to gain hands-on experience and enhance their skills in a collaborative and supportive environment. As a Flutter Developer Intern, you will work closely with our experienced team to create innovative and user-friendly mobile applications using the Flutter framework.

Key Responsibilities

- Collaborate with the development team to understand project requirements and translate them into technical specifications.
- Design and develop cross-platform mobile applications using the Flutter framework.
- Implement responsive and visually appealing user interfaces that adhere to design guidelines and best practices.
- Integrate third-party libraries and APIs to enhance app functionality and user experience.
- Write clean, efficient, and maintainable code following Flutter and Dart best practices.
- Conduct thorough testing and debugging to ensure the quality and performance of mobile applications.
- Stay updated on Flutter updates, new features, and emerging trends in mobile app development.

Requirements

- Pursuing or recently completed a degree in Computer Science, Software Engineering, or related field.
- Strong understanding of mobile app development principles and practices.
- Proficiency in Dart programming language and experience with the Flutter framework.
- Familiarity with mobile app design patterns, UI/UX principles, and Material Design guidelines.
- Experience with version control systems (e.g., Git) and agile development methodologies.
- Excellent problem-solving skills and attention to detail.
- Strong communication and collaboration skills, with the ability to work effectively in a team environment.
- Completely available for the duration of the internship.

Benefits

Hiring organization

Outshade Digital Media Pvt Ltd

Duration of employment

3 months

Job Location

Remote work from: Hyderabad, Telangana.

Date posted

February 8, 2024

- Hands-on experience working on real-world projects with a global client base.
- Mentorship and guidance from experienced professionals in the mobile app development field.
- Opportunity to expand technical skills and gain exposure to cutting-edge technologies.
- Potential for future employment opportunities based on performance and business needs.
- Stipend as per experience, time contribution to the organization and industry standards.

How to Apply

Interested candidates are encouraged to submit their resume and portfolio (if available) to hr@outshade.com. Please include a brief cover letter outlining your interest in the Flutter Developer Internship position at Outshade and why you believe you would be a great fit for the role.

Join Outshade and be part of a dynamic team dedicated to creating innovative mobile solutions that make a difference!
