UI/UX Design Internship

About Outshade

Outshade is a dynamic and innovative web and mobile app development company, dedicated to creating exceptional digital experiences for clients across Asia, Europe, the Middle East, and North America. Our talented team of professionals collaborates seamlessly to deliver cutting-edge solutions that exceed client expectations and drive success in an ever-evolving digital landscape.

Position Overview

Outshade is seeking a motivated and creative UI/UX Design Intern to join our team. This internship offers an excellent opportunity for individuals passionate about user-centric design to gain hands-on experience and enhance their skills in a fast-paced and collaborative environment. As a UI/UX Design Intern, you will work closely with our experienced design team on various projects, contributing to the creation of intuitive and visually appealing interfaces that delight users and enhance overall product usability.

Key Responsibilities

- Collaborate with the design team to understand project requirements and user needs.
- Assist in conducting user research, usability testing, and competitor analysis to inform design decisions.
- Create wireframes, prototypes, and mockups to effectively communicate design concepts and user interactions.
- Iterate on designs based on feedback, user testing, and emerging industry trends.
- Work closely with developers to ensure design feasibility and implementation of UI/UX best practices.
- Contribute to the maintenance and organization of design assets and documentation.
- Stay updated on UI/UX design principles, trends, and emerging technologies.

Requirements

- Pursuing or recently completed a degree in relevant field.
- Strong understanding of UI/UX design principles and methodologies.
- Proficiency in design tools such as Adobe Creative Suite, Sketch, Figma, or similar.
- Excellent communication and collaboration skills.
- Ability to receive and incorporate constructive feedback.
- Self-motivated with a passion for learning and staying updated on industry trends.
- Portfolio showcasing relevant design projects and process (preferred).
- Completely available for the duration of the internship.

Benefits

- Hands-on experience working on real-world projects with a diverse client base.
- Mentorship and guidance from experienced professionals in the field.
